

# New Special Report on Lateral Hiring

[Please click here for further details](#)

This Special Report offers a new, research-based approach for law firms to improve their lateral hiring process and results by engaging new hires in smart collaboration.

Laterals who collaborate with their new colleagues are significantly more likely to stay with the firm longer, to hit or exceed their targets, and to thrive professionally.

Firms need a well-constructed plan, a relentless focus on execution, and clear accountability processes if they expect to help laterals achieve two-way collaboration quickly and efficiently.

This Special Report offers the tools, processes, and best practices for successful implementation.
